# THE GERMAN NATIONAL SCHOLARSHIP

The Heinrich Heine University Düsseldorf funding programme »Seizing Opportunities« – the German National Scholarship – is aimed at high-performing students from all faculties at HHU. All students can apply from the 1st semester of their bachelor's studies up to completion of a master's programme or up to State Examination level.

Scholarship recipients receive €300 in support per month for two semesters. This amount is financed equally by the Federal Ministry of Education and Research (BMBF) and private donors. In addition to the financial support, this programme offers scholarship recipients the opportunity to participate in events with “their” donors.

As a German National Scholarship recipient, you will gain insights into a broad spectrum of academic areas as well as social, cultural and economic life in the city of Düsseldorf and surrounding region.

*“Here, every scholarship has a face – you can meet people in person and benefit from each other.”*

Honorary Senator Professor Dr Hannelore Riesner
